

# adventure camper™

## The best 4WD

campervan for those people who want a real adventure in the outback of Australia. The rear cabin is very spacious and has plenty of ventilation with side flyscreens along the pop top roof. The vehicle is fitted with a large

retractable side awning, which you can cook and eat under. At night you can even plug into caravan park power and enjoy home comforts of air conditioning or heating. Comes with many special 4wd extras such as a Safety & Survival Guide and recovery shovel. Much roomier than a Bush Camper, the Adventure Camper is the 4wd campervan of the future!
